(DPH) and San Francisco Fire Dept. (SFFD) regulations & are subject to inspections on the day of the street fair prior to commencing business. Failure to comply with all regulations will result in cessation of operation & subject to removal from the street fair.

- HASF will secure the required permits from DPH & SFFD for all Food Vendors. City Agency application forms and regulation guidelines will be mailed to each vendor once the Food Vendor's Application is approved by HASF. The completed City Agency applications must be return to HASF in a timely manner. Failure to submit the city agency forms to HASF will result in the cancellation of the application.

- All Food Vendors selling bottled water must comply with the S.F. ORDINANCE 28-14, which bans the sale or distribution of drinking water in plastic bottles of 21 ounces or less. Failure to comply with this ordinance may affect future participation in HASF activities.

- All Food Vendors are responsible for removing all non-recyclable items & equipment by 5:30 pm or at the request of HASF or a City agency.

- Food Vendors must accommodate all cooking, storage space & equipment (i.e., propane tanks, ice boxes, generators, supplies, etc.) within the allocated area assigned to each vendor. Sidewalk areas behind booth spaces are not to be used

for cooking, storage or sales & must always be clutter free. If additional space is required, accommodations will be made for an additional fee.

- Generator requests are subject to review & approval by HASF & SFFD.
- To ensure public safety, SFFD requires a physical barrier (tape or rope is not acceptable) around the food booth area to prevent public access.
- Food Vendors **MUST** not exceed the designated booth space assignments. Cooking activities must not impede pedestrian traffic or Emergency Access Lanes (EAL). Failure to abide will result in citations & banishment from future HASF activities.
- Food Booths & permits are **NOT** transferable under any circumstances. HASF will not accept any unauthorized substitute vendor to operate at the event.
- Cancellation of a Food Booth Application must occur prior to the Application Deadline (April 13, 2022) for a full refund. There will be no refund of fees once HASF submits its permit applications to DPH & SFFD.
